📍 Mumbai, Maharashtra

## CAREER OBJECTIVE

Enthusiastic front-end developer with 2.4+ years of experience in building responsive, user-focused web applications. Skilled in creating intuitive user experiences, optimizing performance, and writing clean, reusable code. Adept at leveraging modern tools and technologies to develop innovative solutions that enhance user engagement and drive business growth. Committed to delivering impactful digital experiences that align with the latest web standards and industry best practices.

## WORK EXPERIENCE

### FRONTEND DEVELOPER

ACCELERATE BS INDIA LIMITED

(MUMBAI, MAHARASHTRA)

(AUG 2023 - PRESENT) - ON-SITE

- Contributed to animation components using React.js and Next.js to enhance user experience and interactivity.
- Built a sign-up form with frontend validation logic and integrated backend communication using JavaScript and jQuery.
- Designed responsive and complex UI components for seamless performance across all devices.
- Implemented a dynamic search filter fetching data from APIs, supporting multi-select and single-select options with JavaScript and jQuery.
- Coordinated with the backend team to ensure smooth API data rendering on the UI.
- Worked with the QA team to identify and fix cross-browser and functionality issues.

Key Achievements -

- Developed dynamic, responsive UI components and search filters, enhancing interactivity and user experience.
- Streamlined API integration and resolved cross-browser issues, ensuring seamless functionality across platforms.

### FULL STACK WEB DEVELOPMENT PROGRAM [Link](#)

ALMABETTER (BENGALURU, KARNATAKA)
