PROFESSIONAL SUMMARY

Frontend Developer with 3.3+ years of experience engineering responsive, high-performance web applications using React.js, Next.js, and modern JavaScript. Proven track record in optimizing dynamic UI workflows for enterprise platforms, integrating complex REST APIs, and resolving cross-browser compatibility issues. Strong expertise in component architecture, state management, and driving frontend performance to achieve 90+ Lighthouse scores.

TECHNICAL SKILLS

• **Frontend Core**: HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, TypeScript, jQuery, Nunjucks
• **State & Data Management**: Redux, Redux Toolkit, React Query
• **UI & Styling**: Tailwind CSS, Bootstrap, React-Bootstrap, Material UI, Responsive Web Design
• **Testing & Debugging**: Jest, React Testing Library, Chrome DevTools
• **Tools & Version Control**: Git, GitHub, Bitbucket, Sourcetree, Postman

PROFESSIONAL EXPERIENCE

ACCELERATE BS INDIA LIMITED | Mumbai, Maharashtra
Frontend Developer | Aug 2023 – Present
• Engineered reusable, animated UI components using React.js and Next.js for high-traffic web applications, decreasing component rendering time by 25% and improving overall user engagement.
• Architected a dynamic multi-criteria search and filtering system using REST APIs, optimizing asynchronous data fetching to seamlessly handle complex queries and reducing data retrieval time by 30%.
• Built end-to-end user authentication and sign-up modules featuring custom client-side validation logic and secure backend integration, reducing user onboarding errors by 30%.
• Spearheaded cross-browser and cross-device testing alongside QA teams, reducing UI latency and eliminating critical rendering defects across Chromium, Safari, and Firefox, boosting Lighthouse performance scores from 72 to 95+ across Core Web Vitals.

INTERNSHIP EXPERIENCE

ALMABETTER | Remote (Bengaluru, Karnataka)
Frontend Web Development Intern | Oct 2022 – Apr 2023
• Developed a full-featured "Resume Builder" SPA using React.js and JavaScript, implementing real-time template rendering for dynamic inputs with zero visual lag.
• Managed complex application state across multi-step forms using Redux Toolkit, and built an accessible, mobile-first UI utilizing Material UI and React Router.
• Participated in agile code reviews and utilized Git/GitHub for version control and efficient issue tracking throughout an intensive 6-month engineering curriculum.

EDUCATION

Sathaye College, Mumbai University | Mumbai, Maharashtra
Bachelor of Science in Information Technology | 2019 – 2022
• CGPA: 7.0 / 10.0

ADDITIONAL EXPERIENCE

BYTE-IT Tech Fest (Sathaye College) | Mumbai, Maharashtra
Student Volunteer & Coordinator | 2019
• Coordinated event logistics and handled technical briefings for 100+ participating students, ensuring smooth scheduling and zero downtime during technical challenge operations.
